

# Anglo Portuguese School of London

19<sup>th</sup> April 2021

## At APSoL this week;

Welcome Back! We hope you had a restful and fun break.

The highlight of the week has to be our 'new' classrooms. We love them! The children are working well in their new classrooms and appear really happy exploring the new space.

Thank you to all the parents who helped with our move. Your time and support is appreciated.

Our topic this term is 'Pond Life'. Please talk with your child about what animals may live in and around a pond. We are really lucky to have tadpoles in school. The children have been excited to watch them grow.

In Literacy, over the next few weeks, we will be reading *Oi Frog* by Kes Kray and Jim Field. This book encourages the children to think about and match rhyming words.

In Mathematics, we have been learning about subtraction. Subtracting smaller numbers from 0-10. This can sometimes be a challenging topic for young children to conceptualise, however the children have approached the topic very well.

## Português

Esta semana nas aulas de português, estivemos a aprender a história do Rato do Campo e do Rato da Cidade. Exploramos as diferenças entre viver no campo e na cidade e termos de casas, comida, atividades e perigos. No final da semana fo apresentado o primo dos ratinhos que vive na praia. O que será que ele tem para contar?
