

Anglo Portuguese School of London

24th September 2021

At APSoL this week:

Dear Parents,

It has been a wonderful and busy third week at APSoL in reception class. The children have begun their maths, phonics and literacy learning which they have all been great at. We have also enjoyed learning about our families. The children loved sharing and discussing their family photos with their peers and teachers.

Maths

In our maths lessons this week, the children have been learning how to match objects that are the same. They did a great job of explaining what makes some objects the same - answers included colour, patterns, shape and size.

Literacy

This week, the children were introduced to one of our key literacy texts - *Halibut Jackson*. They even got to make their own clothes out of various pieces of fabric!

Next Week

Next week we will be learning about autumn. Thank you for bringing in your autumn treasures. Please continue to bring them in over the next few weeks for the children to explore and investigate.

APSoL EYFS Team

Music Time with Mr Joe!

PE Fun!

The children had such great fun in their PE lesson this week. We talked about spatial awareness and practised our chasing and fleeing skills.

Reading

Your child will have been sent home with a reading book today. Please read with them daily. You can practise sounding out the words and talking about the pictures. Books are to be returned to school on **Wednesdays** for changing.
