

Dear families,

I would like to take this opportunity, on behalf of the team, to thank all our families for your generous gifts and warm seasonal greetings. We truly value this appreciation, which makes APSoL such a delightful school to be part of. Thank you!

This term, we saw our school community coming together at our various events including our International Fair, Winter Fair, Year 2 Winter Concert and Reception and Year 1 Nativity performance. All the proceeds from the school photographs, taken by Daiane a FoAPSoL, have gone directly to the school fund which will support the school into continuing to provide exceptional learning experiences for all . This ensures that the school can sustain high quality provision and curriculum experiences for all children.

A massive thanks to all our parent and South Thames College Volunteers who support the school regularly. Your support is invaluable!

### Wandsworth Food bank appeal

Thank you to everyone who made generous donations for the Advent calendar appeal. All items were collected today and taken to the Wandsworth Food Bank by our parents. Massive thanks to Edyta, Y2 parent for organising.

EWO: From January, the school will be supported by Wandsworth Education Welfare Service and have an allocated Education Welfare Officer, working with the school and families to ensure all children are at school everyday and on time, getting the best possible chance of achieving their potential.
